

A CASE OF VACCINE-RELATED VARICELLA INFECTION

February 3, 2015 • 8:00 – 8:30am

Goal/Purpose:

This presentation is an ongoing Pediatric Series brought to you by MUSC Pediatrics.

Objectives:

At the completion of this session you should be better able to:

- Identify the pathogenesis of varicella infections.
- Diagnose and treat varicella infections.
- Understand the role of vaccination.
- Recognize potential vaccine related complications.

Instructor:

Mariah Scott, M.D.

How to Participate?

This program is being broadcast over the SCHOOLS network of videoconferencing systems across South Carolina. Participants will be able to fully interact with the speaker during this 30-minute presentation including time for Q&A.

1. Hospitals and AHECs indicate their participation at www.scahec.net/schools.
2. Individuals locate a participating location (see next page) where you can view the session.
3. Individuals register at www.scahec.net/schoolsregistration.
4. Attend this FREE session at your hospital location.
5. Continuing Education Credits:
 - Apply for AMA PRA Category 1 Credit(s)TM from the Medical University of South Carolina (separate application and \$20 fee for up to six morning report sessions).
 - No charge for healthcare professionals.

This Pediatric Morning Report will be held in room number 803-555-1199
