Webinar via WebEx**

DESCRIPTION

According to Daniel Goleman, a leading researcher and author on the subject of Emotional Intelligence; "What really matters for success, character, happiness, and life-long achievements is a definite set of emotional skills your EI - not just purely cognitive abilities that are measured by conventional IQ tests." With this in mind, this 1- hour workshop will cover the importance to understanding and developing emotional intelligence in the workplace and among teams.

OBJECTIVES

Upon completion of this course, the participant should be able to:

1. Discuss the importance of emotional intelligence (EI) for a team.
2. Identify 3 important needs and development stages of a team.
3. Develop team maintenance through EI practices.
