

The Heartbreak of Dementia

Co-Provided by:

**Pee Dee Area Health Education Center
& Southeastern CME Consultants, LLC**

Presented by:

Richard R. Howell, M.D.
Director of Geriatric Education
McLeod Health Family Medicine Residency

Kelly W. Jones, Pharm.D.
Director of Pharmacotherapy
McLeod Health Family Medicine Residency

Educational Objectives

Upon completion of this program, participants should be able to:

- 1) Identify the common types of dementia seen in clinical practice.
- 2) Discuss the medical evaluation of dementia.
- 3) Review treatment options for cognitive decline based on current pathophysiology models.
- 4) Discuss treatment options for Behavioral and Psychological Symptoms of Dementia (BPSD).
- 5) Identify adverse events associated with various treatment options for dementia.

Educational Methods: Lecture presentation with time to answer self-assessment questions and discuss clinical scenarios to include audience participation.

Program participants must complete an online activity evaluation within 2 weeks following the program date to receive continuing education credit.

Target Audience: Primary Care Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses, and Pharmacists.

Faculty & Program Planning Committee Disclosures: Dr. Howell, Dr. Jones, Dr. Morris, Ms. Parnell, and Ms. Morris declare no conflicts of interest or financial interests in any product or service mentioned in this program, including employment, gifts, stock holdings and/or honoraria.
