

SOUTH CAROLINA HEALTH OCCUPATIONS OUTREACH LEARNING SYSTEM

What is SCHOOLS?

The South Carolina Health Occupations Outreach Learning System (SCHOOLS) is a collaboration between the South Carolina AHEC system and their partners to provide educational programs for healthcare providers, to facilitate the delivery of curricula by on-campus faculty to students participating in off-campus clinical rotations, and to provide technology to support the development and implementation of collaborative research initiatives across the state.

Benefits of SCHOOLS Programs:

- Live programs via videoconferencing available for all healthcare professionals
- Available at a hospital facility in your community or just a short drive away
- Providing an array of new, exciting offerings addressing today's healthcare issues
- Continuing education credit made easy and convenient
- Professional networking opportunities
- Access to South Carolina's best instructors
